Hopkins 101: The Basics

Facts and Figures

- Johns Hopkins University has 10 divisions on many campuses. As a student, you are able to cross-register for classes at these other divisions.
 - Krieger School of Arts and Sciences (Homewood—IPS is in this school.)
 - Whiting School of Engineering (Homewood)
 - School of Education (Homewood)
 - Carey School of Business (Downtown Baltimore)
 - Peabody Music Conservatory (Mount Vernon)
 - School of Medicine (East Baltimore)
 - Bloomberg School of Public Health (East Baltimore)

 - Applied Physics Lab (Laurel, MD)
- In the schools of Arts and Sciences and Engineering, the main schools on the Homewood campus, there are approximately 4,500 undergraduate students and 1,600 graduate students.

Administrative Information

- The ID card for the Homewood campus is called the “J-Card.” This grants you access to the library, athletic center, computer lab, copy machines, IPS after-hours, and more. It also serves as a debit card; you can deposit “J-Cash” to use at local businesses and on campus.
- All Homewood phone numbers are: (410) 516-xxxx. If you are dialing from a campus phone, just hit 6 and then the last four numbers.
- All of your financial and academic information (registration, grades, etc.) are located at <https://isis.jhu.edu>.

Fun Stuff

- Our academic colors are black and sable, and our athletic colors are light blue and black. Our mascot is the Blue Jay.
- The pride of the Homewood campus is our Division I Lacrosse Program. The men’s team won the NCAA championships in 2005 and 2007.
- Every year, Hopkins undergraduates host the largest student-run fair in the country, Spring Fair, which features rides, carnival food, vendors, big-name concerts, and a beer garden.

Hopkins 102: The Essentials

Campus Resources Most Worth Taking Advantage Of

- **Career Center**
 - **Set up your Career Center account!** This can be done in-person or online, but it is crucial for accessing the available resources. These include:
 - On-Campus Recruiting and Resume Drops (with many employers in the public service sector)
 - Appointments with Career Counselors (IPS has its own contact person at the Career Center.)
 - J-Connect (a search engine for jobs and internships)
 - Emails alerting students about career fairs, internship/job offers, and other special events on campus
 - Access to In-Circle, the networking website for Hopkins students and alumni
 - Excellent online documents detailing how to write a CV, cover letter, interview etiquette, and more.
- **Speaker Symposiums**
 - Hopkins undergraduates run two renowned speaker series: the **Milton S. Eisenhower Symposium** in the fall, dealing with domestic issues; and the **Foreign Affairs Symposium** in the spring. Last year's speakers included Bill Nye the Science Guy, Rory Kennedy, Danny Glover, Paul Rusesabagina (the inspiration for the film *Hotel Rwanda*), Robert Kagan, John Bolton, and many more. All events are free and well-advertised.
 - **IPS has its own yearlong seminar series** – going to hear these speakers will count for your seminar credits and will be announced at the beginning of the school year and as events are scheduled. The chief of the Los Angeles Police Department, William J. Bratton is scheduled to speak this coming October.
- **Graduate Record Organization (GRO)**
 - **The GRO is a way for all graduate students on the Homewood campus to get to know one another.** The group sponsors study breaks, events, and outings, provides an outlet for complaints, and is a great resource for information. Check out <http://www.jhu.edu/gro/> for more details.
- **Benefits of Being a Hopkins Student**
 - Simply being enrolled at Hopkins gives a lot of unknown benefits to students:
 - **Your J-Card grants you free entry into the Baltimore Museum of Art (on the Homewood campus) and Walters Art Museum.** All of the special exhibits that require an entrance fee are still free to students!
 - **The Alumni Association Discount Card** should be mailed to you, and it offers discounts at many area restaurants and businesses. Look at <http://alumni.jhu.edu/students/discounts/locations.htm> for a list of where you can save money.

Quick Tips about IPS

- Use the new IPS website (<http://ips.jhu.edu>) as a resource! The staff pages list all of the research interests and specialties of the professors and researchers at the Institute; they are not only good resources for future career goals, but also for potential research projects while at IPS.
- In order to work at IPS before or after business hours, you must get your J-Card activated for the 5th floor, as well as for the Wyman Park building. All you have to do is give a photocopy of your card to Mary Jo at the front desk.
- After 8:30 pm, the Wyman parking lot is free. Also, you are able to park your car in the circular drive in front of the building after 5 pm.
- In order to rent out conference rooms or other workspaces at IPS, mark your reservations in the small calendars on the right hand side of the front desk ahead of time. This saves everyone the trouble of scrambling to find a study spot—people can check the calendars to plan their meetings accordingly.
 - If you are using an IPS room, make sure to keep them clean, push in the chairs, and turn out the lights before you leave for the night.
- Every Monday morning is “Bagel Monday,” where IPS purchases bagels for whoever is working or studying there!
- Visit www.campusfoods.com for a list of restaurants that deliver to the Homewood campus—you can view their menus and place your orders online or by phone.
- Storage crates and student mailboxes are located in the computer lab.
- If you need to use the bathrooms at IPS, use one of the large wooden keys at the front desk to unlock the bathrooms in the elevator lobby of the 5th floor. These keys will also unlock the large and small conference rooms.
- If you are studying late, call the Hopkins Security Shuttle to take you home. From 5 pm until 3 am, you can call them to drive you anywhere within a one-mile radius. The phone number is (410) 516-8700.
