MPP students can receive a Certificate in International Studies by completing four courses in international relations at the Paul H. Nitze School of Advanced International Studies (SAIS). The International Studies Certificate includes courses in international economics and finance, social change and development or international law and institutions* and the Certificate in International Development requires two course, 'Comparative National Systems' and 'Introduction to Economic Development' and two electives. Please consult the SAIS course listing for further details about classes offered for this certificate.

The SAIS certificates are designed for students who want to apply their MPP skills abroad or for an organization that does international work. Entering students wishing to take courses at SAIS may apply for the International Certificate program during their first year of study by submitting this form and all supplemental materials to Carey Borkoski on or before March 14th.

Certificate Start Date: Fall ** Year _____
